Discover Nova Scotia.
A tradition of education excellence for over 200 years.

Each year 5,000 international students from more than 140 countries come to Nova Scotia to study. With a population of approximately one million people, Nova Scotia is home to 11 universities, 13 community college campuses, 100 high schools, several independent schools, and some of the best language schools in Canada. There are more education opportunities per capita than anywhere else in the country!

EduNova is a not-for-profit association of the province’s universities, community colleges, public and independent high schools and private sector training firms and is dedicated to helping international students learn more about Nova Scotia as a study destination.

**Saint Mary’s University**

Saint Mary’s University is recognized as one of Canada’s most internationalized campuses with students representing more than 90 countries. Founded in 1802, Saint Mary’s has been welcoming international students to our campus for generations. We thrive on turning students into citizens of the world through a globalized curriculum, co-operative education and employment opportunities on and off campus, and scholarships to support student success. Saint Mary’s offers an AACSB accredited Business program, a cutting-edge Faculty of Science with brand new facilities where students can pursue undergraduate research, an innovative Bachelor of Arts degree with unique program offerings and fascinating field work, and an interactive and dynamic Engineering program. Discover the world in one city block.

**Nova Scotia College of Art and Design (NSCAD University)**

Nova Scotia College of Art and Design (NSCAD University) is a leading North American visual arts university dedicated to advancing the visual arts through education, research and production. All research and studies are directed by faculty who are professional artists, designers, crafts persons or academics. Students choose from graduate and undergraduate degrees in fine and media arts, craft, design and art history. NSCAD University alumni are among Canada’s most highly regarded artists, gallery directors, designers, curators and art educators. Combining the beauty of a historical centre with an international cultural vision, the NSCAD experience remains unique in Canada.

*While NSCAD is excited to conditionally accept those who meet the academic admissions requirements stated here, all applicants must present a portfolio for review for full admission.*
