The Nova Scotia Education Immersion Program (NSEIP) has been designed for current international teachers who want to enhance their teaching skills in an English-speaking environment. It is also for ESL students who are interested in teaching English in their home countries or ESL students who want to challenge themselves in English and learn from certified Nova Scotia educators. This program combines a teacher-training course at a school accredited by Quality English with a total education immersion experience in a Canadian public school environment.

NOVA SCOTIA EDUCATION IMMERSION PROGRAM (NSEIP)

Learn how to teach English while being totally immersed in the language and culture of Canada. Our education immersion program provides you the opportunity to eat, sleep, and live English 24 hours a day, while learning and practicing new teaching methodologies.

TEYL participants will accomplish the following:
• Learn to create activities, lesson plans, materials, and props to use with young learners
• Gain practical teaching skills such as pair work, small group work, and in-class discussions
• Improve communication and presentation skills
• Practice teaching in a safe environment

You will have the opportunity to live and feel part of a Canadian family as part of the homestay experience. Your host family will expose you to a rich variety of local culture and social events. Participants in this program will also have the opportunity to engage in fun activities that will enhance their knowledge of Nova Scotian culture.

Participants will study for four weeks and have 100 hours of classroom instruction. In the intensive Teaching English to Young Learners (TEYL) program you will learn how to teach English to children of various ages. Participants will be taught by professional trainers who are certified by TESL Canada. After completing TEYL, students will be partnered with a licensed teacher in a Nova Scotia public school. Participants will observe and practice instructional design and delivery in a Nova Scotia classroom.
THE PROGRAM INCLUDES:

- Homestay, with a private bedroom
- 3 meals a day
- All activities and excursions
- Round trip airport transfer
- Medical insurance
- 25 hours of classroom experience per week
